Please note the following expectations for working with PHT's showing partner:

The showing partner will only show homes for signed clients who are likely to write offers in the next 30 days.

To request assistance, please text the showing partner directly. Send the showing partner a list of the properties to be shown; approximate date/time; and contact information for your client. Connect the showing partner with your clients in a 3-way text.

The showing partner will schedule the showings; communicate the showing times/addresses with your client; conduct the showings; and send you a text with feedback immediately following the showings.

Agent will be charged a fee of 10% of the commission on any transaction that successfully closes where the showing partner conducted at least one showing.
