Hello [REDACTED]

I just wanted to notify you that your commission for [REDACTED]
US **has been settled in our transaction system.**

Please find below the breakdown of your commission on this transaction.

If title paid eXp via a single check DA, your commission will be disbursed to account number ending in [REDACTED]. If title paid via a split check DA, you would have received commission directly from title and will not receive duplicate payment from eXp.

If all of these details are correct, you don't need to do anything. However, if you see anything which appears incorrect, please let me know so I can address it quickly.

Please do not reply directly to this email address, as this email box is not designed to receive email messages. To contact your **Transaction Settlement Specialist**, please use their specific eXp Realty email address.

Thank you,

Transaction Processing Team
